The PRINCIPAL,

Sri Rangapoopathi College of Engineering,

Alampoondi-604151.

Respected sir,

Our placement & training cell has planned to conduct competitive exam training for third year students on 14.09.2022. This program is specially designed for the students to prepare for the competitive exams in their carrier. Hence I kindly request you to give permission to conduct the "Awareness on Government Job Opportunities for Engineering Students" for our students on 14.09.2023 on conference hall.

Thanking you

The resource person talked about how important it is to have a good understanding and smart skills when on preparing govt exams. He informed the students that the first level of screening is used in the majority of selection process on a competitive exam. He shared very practical and simple solutions to students. The seminar was attended by 150 students from various courses. The session was very interactive, and the students were kept interested throughout the session.

Elamy

Respected sir,

Our placement & training cell has planned to conduct competitive exam training for our final year students on 08/02/2023. This program is specially designed for the students to prepare for the competitive exams in their carrier. Hence I kindly request you to give permission to conduct the "Civil Services (IAS, IPS, IFS & OTHERS) as a Career Programme" for our students on 08/02/2023 on conference hall.

Thanking you

Yours sincerely,

Dr. R. MANIKANDAN, M.Tech., Ph.D.,

Principal

The resource person talked about how important it is to have a good understanding and smart skills when solving aptitude problems. He informed the students that the first level of screening is used in the majority of selection process, whether for a job, higher education, or a competitive exam. He shared very practical and simple solutions to puzzle and number problem. The seminar was attended by 30 students from various courses. The sessions was very interactive, and the students were kept interested throughout the sessions.

Respected sir,

Our placement & training cell has planned to conduct competitive exam training for our all year students. This program is specially designed for the students to get better communication in their carrier. Hence I kindly request you to give permission to conduct the "MOTIVATION PROGRAMME ON MASTERING LSRW SKILLS IN ENGLISH" for our all four year students on 05/10/2018 on conference hall.

Thanking you

Respected sir,

Our placement & training cell has planned to conduct campus drive for our final year students. This program is specially designed for the students to choose their carrier. Hence I kindly request you to give permission to conduct the "Career Empowerment Programme" for our students on 25/04/2019 on conference hall.

Thanking you

## PLACEMENT & TRAINING CELL

### REPORT

### MOTIVATION PROGRAMME ON CAREER

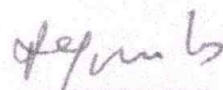

The MOTIVATION PROGRAMME ON CAREER Program Was Organized For all four year Students On 31/10/19. By Placement & Training Cell.

The program Open students' mind up to possibilities - connect them with professionals from a wide range of careers to expose them to the dynamic career options available to them. Those who have lived a career and scaled its heights, have invaluable insights to share. Enable students to obtain information, advice and inspiration to plan their own career journeys.

Respected sir,

Our placement & training cell has planned to conduct campus drive for our final year students. This program is specially designed for the students to choose their carrier. Hence I kindly request you to give permission to conduct the "Career Empowerment Programme" for our students on 10/03/2020 on conference hall.

Thanking you

Respected sir,

Our placement & training cell has planned to conduct competitive exam training for our first, second and third year students. This program is specially designed for the students to prepare for the competitive exams in their carrier. Hence I kindly request you to give permission to conduct the "Mastering the Essential Skills" for our students on 27/12/2020 on conference hall.

Thanking you

Yours sincerely,

PLACEMENT CO-ORDINATOR

## PLACEMENT & TRAINING CELL

### REPORT

### MASTERING THE ESSENTIAL SKILLS

The Mastering the Essential Skills Programme Was Organized For first, second and third year Students On 27/12/2020 By Placement & Training Cell.

The resource person talked about how important it is to have a good understanding and smart skills when solving future problems. He informed the students that the first level of screening is used in the majority of selection process, whether for a job, higher education, or a competitive exam. He shared very practical and simple solutions on skill management. The seminar was attended by 106 students throughout the session.

Respected sir,

Our placement & training cell has planned to conduct competitive exam training for third year students. This program is specially designed for the students to prepare for the competitive exams in their carrier. Hence I kindly request you to give permission to conduct the "HR-Keynotes on Past, Present & Future Job Markets" for our students on 23.02.2021 on conference hall.

Thanking you

The resource person talked on via zoom about how important it is to have a good understanding and notes when on preparing govt exams. He informed the students that the first level of screening is used in the majority of selection process on a competitive exam. He shared very practical and simple solutions to students. The seminar was attended by 69 students from various courses. The session was very interactive, and the students were kept interested throughout the session.

## PLACEMENT & TRAINING CELL

### REPORT

#### TECHNOLOGY FOR FUTURE RECRUITMENT

The TECHNOLOGY FOR FUTURE RECRUITMENT Programme Was Organized For Third year Students On 08/09/2021 By Placement & Training Cell.

The resource person talked about how important it is to have a good understanding and smart skills when solving future problems. He informed the students that the first level of screening is used in the majority of selection process, whether for a job, higher education, or a competitive exam. He shared very practical and simple solutions on digital selections. The seminar was attended by 30 students from various courses. The session was very interactive, and the students were kept interested throughout the session.

To

The PRINCIPAL,

Sri Rangapoopathi College of Engineering,

Alampoondi-604151.

Respected sir,

Our placement & training cell has planned to conduct competitive exam training for our first and second year students. This program is specially designed for the students to prepare for the competitive exams in their carrier. Hence I kindly request you to give permission to conduct the "TIME MANAGEMENT" for our students on 27/12/2021 on conference hall.

Thanking you

To

The PRINCIPAL,

Sri Rangapoopathi College of Engineering,

Alampoondi-604151.

Respected sir,

Our placement & training cell has planned to conduct training program for our final and third year students. This program is specially designed for the students to prepare for the opportunities of entrepreneur in their carrier. Hence I kindly request you to give permission to conduct the 'ENGINEERS AS ENTREPRENEURS' students on 30/03/22 on conference hall.

Thanking you

## PLACEMENT & TRAINING CELL

### REPORT

#### ENGINEERS AS ENTREPRENEURS

The ENGINEERS AS ENTREPRENEURS Program Was Organized For Final year Students On 30/03/22.  
By Placement & Training Cell.

During his speech he explained the importance of engineers choosing entrepreneurship as a career. He started giving the meaning of entrepreneurship, importance of entrepreneurship and startups. He listed the qualities one must possess to become a successful entrepreneur and to manage the enterprise. He said that high degree of commitment, high energy level, foresightedness, desire of responsibility, risk taking ability, leadership and managerial skills, value for money and open mindedness are the qualities one should develop to succeed in the entrepreneurial venture. Moreover, the resource person also explained the elements of Startup, start-up process, role and importance of startup in economic development. While explaining the startup and its role he gave lot of examples to showcase the role of engineers in developing startups. The session gave an insight and created an inspiration towards entrepreneurship.

## PLACEMENT & TRAINING CELL

### STUDENTS FEEDBACK FORM

Name of the programme : *Career Empowerment Programme*  
Name of the student : *N. YUVARAJ*  
Register number : *422018105008*  
Year & Semester : *IV / VII*  
Batch : *2018 - 2022*  
Academic year : *2022*

Dear student,

You are instructed to give your feedback on the following aspects. Please fill in the respective column.

| S.No | Criteria          | Rating     |          |         |              |      |
|------|-------------------|------------|----------|---------|--------------|------|
|      |                   | Excellent  | Good     | Average | Satisfaction | Poor |
| 1    | Course content    |            | <i>✓</i> |         |              |      |
| 2    | Other suggestions | <i>nil</i> |          |         |              |      |

EXCELLENT-5,

GOOD-4,

AVERAGE-3,

SATISFACTION-2,

POOR-1.
